

CHI Franciscan St Joseph Medical Center Pharmacy Practice Ambulatory Care Residency

Match Code: 273613

Hello and thank you for your interest in applying to our PGY1 Residency program this year. Supplemental application questions, as part of our required application process, are captured as a short video submission (<5 minutes) to answer the following three supplemental questions. This should be completed in a professional manner and be free of any background distraction or noises.

1. What are the three most important things you want to accomplish by completing a residency, and tell us why you are applying for this program specifically?
2. Describe your ideal pharmacy career role and what your daily activities would include in your practice setting of choice.
3. Please describe two or more specific stressful barriers related to pharmacy that you have encountered and what you did to overcome them? What was the source of your stress related to these barriers and what tools did you use in each situation to reduce your stress?
