

## Interventional Radiology: CT Scan and Tube Check

Name: \_\_\_\_\_ Date \_\_\_\_\_ Time \_\_\_\_\_ Buck Pavillion 5

**No solid food 6 hours before your exam.  
You may drink clear liquids until 2 hours before your procedure.**

**You will have a CT scan first.  
You may receive IV Contrast for this scan.  
If you are allergic to IV Contrast notify the Radiology RN  
at the number below.**

**After CT will we do a tube check. If needed, we will change your  
tube. You will receive IV sedation for the tube change.**

**Remember to arrange for a ride home.**

**Call the Radiology Nurse if you have questions.  
206 341-0152.**
