

CommonSpirit Patient Portal

Update Instructions

Follow these instructions if you are using the CommonSpirit Patient Portal on a web browser.

STEP 1 Visit the patientportal.commonspirit.org on your web browser. You can also access the portal via vmfh.org/commonspirit-patient-portal. Once there click “Forgot login information?”.

CommonSpirit

Your medical provider is a member of CommonSpirit Health, associated with Virginia Mason Franciscan Health or a member of The Doctors Clinic which works in collaboration with CommonSpirit Health.

Communicate with your doctor
Get answers to your medical questions from the comfort of your own home

Request prescription refills
Send a refill request for any of your refillable medications

Access your test results
You may see test results before your provider has had a chance to review them; please remember that this information is for your awareness and should not be used to self-diagnose or make medical decisions. These results and documents may contain medical terminology that is unfamiliar to you. Consult with your provider to discuss and interpret your results in the context of your overall health.

Manage your appointments

STEP 2

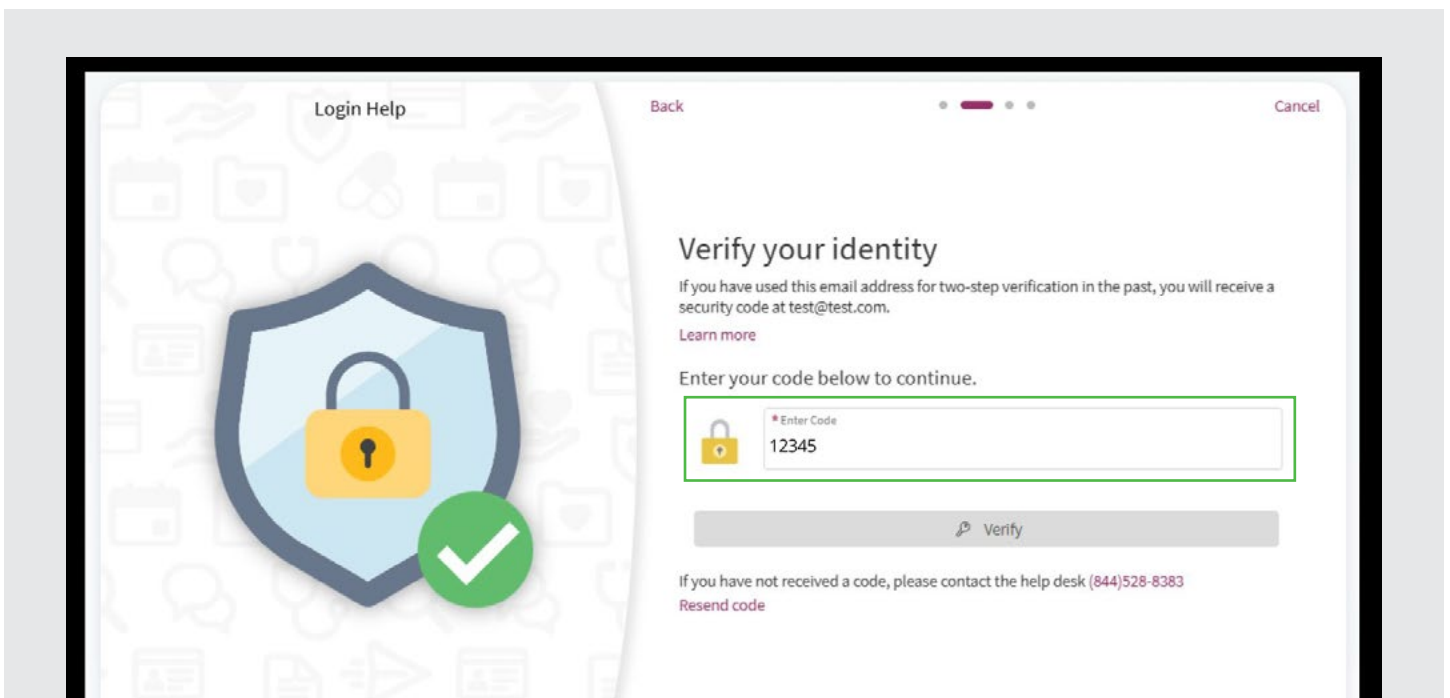

To access your portal you must first update your password. To do so, enter the email associated with your CommonSpirit Patient Portal to receive an email with a two-step verification code.

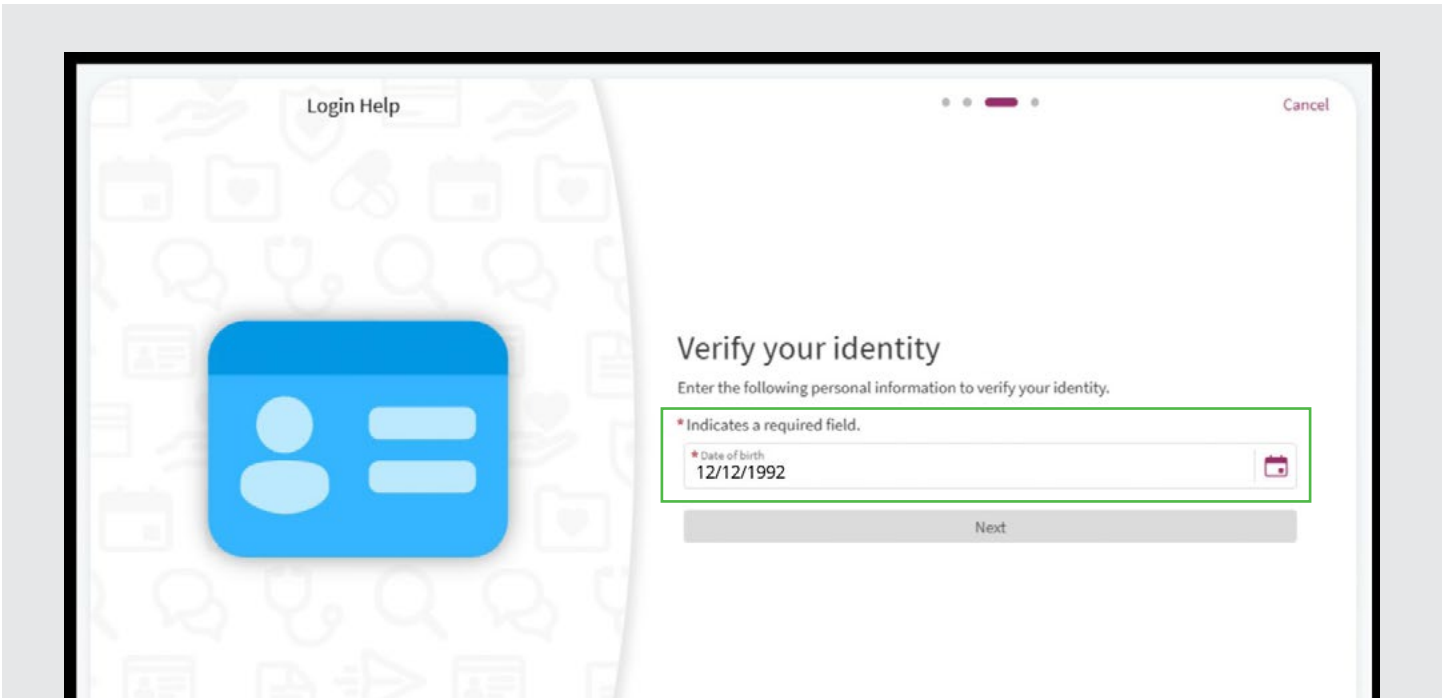

STEP 3

You will receive an email from PatientPortal@CommonSpirit.org with a code for two-step verification. Enter the code in this field.

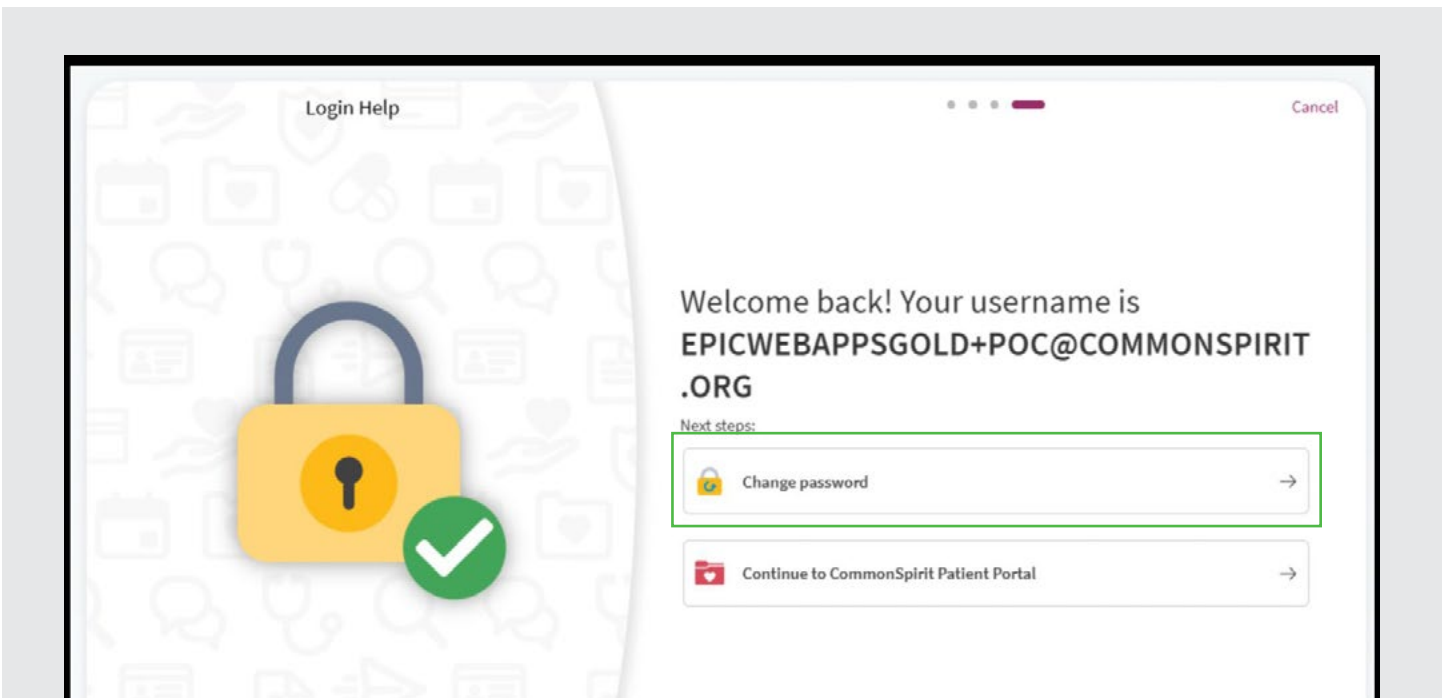

If you do not receive a verification code, please check your spam or junk folder. Also, confirm that your email inbox is not full, which can prevent new messages from arriving. If you've checked these and still don't have the code, please call the Help Desk at (844) 528-8383 for assistance.

STEP 4 | Enter your date of birth to verify your identity.

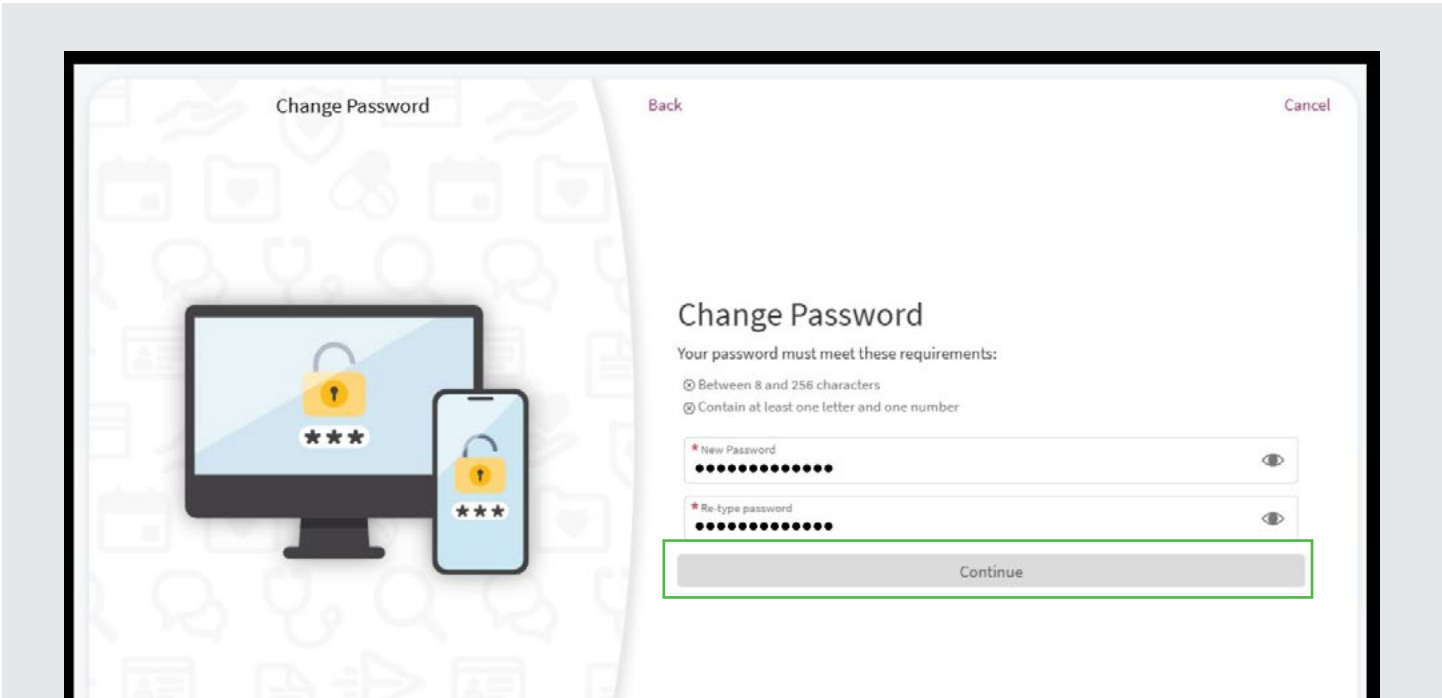

STEP 5 | Click “Change password”.

STEP 6

Enter a password with at least 8 characters that contains at least one letter and one number. Click “Continue”.

STEP 7

Now you should be able to use the CommonSpirit Patient Portal to manage your health information.
